Two activities INTENDED DIRECTION

Management consultancy · SSIC 70209

To help businesses establish clear direction, strengthen governance and improve operational effectiveness.

- Strategy & business planning
- Organisation & accountability
- Operating processes & internal control
- Objectives, indicators & management reporting
- Implementation support & review

Corporate holdings · SSIC 64202

To progressively build and oversee equity interests in selected businesses, with a focus on capital preservation and long-term value.

- Selective ownership against defined criteria
- Responsible stewardship and exercise of shareholder or member rights
- Only the company's own capital, deployed under approved plans

The holding activity does not involve raising funds from the public, accepting money from third parties for investment, managing funds or managing assets on behalf of clients. Neither the website nor this document lists any holdings.

Who we work with

A · Businesses seeking management consultancy	Clarifying strategy, strengthening organisation and controls, or improving performance management.
B · Business owners discussing equity partnership	Owners of established businesses open to discussing a long-term equity partnership.
C · Professional partners on specific work	Firms and specialists — including legal, tax or audit — proposing to collaborate on defined work.

How to begin

1. **Choose a pathway** and read what is helpful to prepare on the Partnerships page.
2. **Prepare a short, non-confidential introduction** — with the website's introduction tool or the downloadable template.
3. **Send it by email** from your own email application, or by post to the registered office.

How we work

- **Clarity before commitment** — purpose, scope, responsibilities and terms are agreed before work proceeds.
- **Evidence-based evaluation** — verifiable information; assumptions stated openly.
- **Confidentiality** — information is used only for its agreed purpose.
- **Separate roles** — advisory and ownership roles are kept distinct; where both arise with the same business, this is disclosed.
